LIBRARY

A LOS COMPAÑEROS DEL CLAUSTRO

Estimados compañeros:

Todos ustedes conocen el grave problema con que se enfrenta la Biblioteca General debido al crecido número de profesores que tienen y retienen en sus casas, por largo tiempo, gran cantidad de libros. La dificultad se agrava por el hecho de que, entre estos libros, hay muchos que son solicitados frecuentemente por otros profesores y por los estudiantes de la Universidad. Recordarán que en repetidas ocasiones, en el pasado, la Biblioteca ha hecho esfuerzos por resolver este asunto.

Alentado por la colaboración que he recibido del claustro en otras cuestiones relacionadas con la Biblioteca, decidí invitar a los representantes de las ocho facultades del recinto de Río Piedras ante esta dependencia universitaria, a examinar la situación. Este comité, de cuya composición di cuenta al claustro en mi circular de fecha 29 de octubre, se reunió el miércoles 21 de dicho mes en la Oficina del Bibliotecario y formuló y recomendó las medidas reglamentarias que aparecen a continuación:

1. Los miembros del claustro y del personal administrativo de la Universidad podrán tener en su poder un máximo de cuarenta volúmenes.
2. Cualquier miembro del personal docente y administrativo o estudiante podrá solicitar la devolución de todo libro que haya permanecido en posesión de otro usuario de la Biblioteca durante más de dos semanas.
3. Todos los libros de la Biblioteca que estén en posesión de los usuarios serán devueltos a dicha dependencia universitaria al final de cada semestre, durante las dos primeras semanas de diciembre y las dos primeras de mayo. Los miembros del personal docente y administrativo podrán volver a sacar los libros que deseen, hasta el límite de cuarenta, después de haberlos presentado en el Departamento de Circulación.
4. Debidamente notificados los usuarios, los libros no devueltos se considerarán perdidos y a los deudores se les pasará una factura por el precio actual de aquellos libros que figuren

cargados a su cuenta. Este procedimiento se aplicará cuando el usuario tenga en su poder libros en exceso del límite de cuarenta, o cuando transcurridas dos semanas de tener un libro solicitado por un usuario a la vez de otro, cuando no devuelva un libro al final del semestre.

5. El Comité de representantes del claustro ante la Biblioteca General ha autorizado al Departamento de Circulación a permitir a los miembros del personal docente y administrativo el privilegio de sacar libros de la Biblioteca, cuando después de haber sido advertidos en la debida forma no devuelvan algún libro ni paguen el precio actual del mismo.

6. Estas medidas comenzarán a regir a partir del 26 de noviembre de 1959.

El Bibliotecario confía que el claustro colaborará con la Biblioteca para el feliz éxito de las citadas medidas con la misma comprensión con que lo ha hecho en otras ocasiones.

Excmo. Sr. Rector,
José M. Lázaro

Estimados compañeros del claustro:

Sirvan estas líneas para saludarles y para ponerme a sus órdenes desde mi nuevo cargo de Bibliotecario. Hace apenas un mes que estoy encargado de la dirección de la Biblioteca General. No he tenido mucho tiempo pues, para familiarizarme con el funcionamiento y las necesidades de esta importante dependencia universitaria.

No obstante, he podido darme cuenta de una cosa, a saber, que la Biblioteca no puede funcionar adecuadamente sin la ayuda y la colaboración continuas del claustro. Esta opinión la he expresado a los señores decanos y a todos aquellos compañeros con quienes he podido hablar personalmente. Ahora lo hago, por medio de estas líneas a todos los demás.

Huelga decir que las sugerencias que ustedes crean conveniente hacerme me serán tan gratas como útiles y necesarias.

En página separada que acompaño les informo sobre una dificultad relacionada con el Departamento de Circulación y sobre la solución que varios compañeros me han sugerido como remedio a la misma, y que yo he aceptado. Confío que habré de contar con la colaboración de todos ustedes para ponerla en práctica.

Afectuosamente

José M. Lázaro

PROCEDIMIENTO ENCAMINADO A REGULAR LA
CIRCULACIÓN DE LIBROS EN LA COLECCIÓN GENERAL

Los empleados del Departamento de Circulación han venido observando que personas extrañas a la Universidad han sacado libros de la colección general sin firmar la tarjeta correspondiente. En otros casos, la han firmado, pero a la Biblioteca no le ha sido posible identificar y localizar al subscritor.

El personal de la Biblioteca lamenta que nuestros ayudantes del Departamento de Circulación no puedan conocer personalmente a la mayoría de los miembros del claustro y de la administración. Agradeceríamos que tanto unos como otros nos ayudasen a establecer un nuevo procedimiento que sirva para reducir en lo posible la pérdida de libros, a veces costosos y difíciles de reemplazar.

- 1- En lugar de depositar la tarjeta contenida en el bolsillo del libro, en el buzón, como ha sido costumbre hacerlo hasta ahora, entregaremos dicha tarjeta al empleado del Departamento de Circulación que ocupará un escritorio junto al torno.
- 2- Si en alguna ocasión al entrar o salir por el torno dicho empleado le preguntara si es usted miembro del personal universitario, tenga la bondad de ser paciente y perdonar su ignorancia. Como queda dicho los ayudantes del Departamento de Circulación difícilmente pueden conocer a todos los miembros del claustro y del personal administrativo de la Universidad.
- 3- Provisionalmente, y hasta que llegue un nuevo torno que hemos encargado, la entrada a los anaqueles y la salida desde éstos será por un sólo sitio: el lugar donde desde hace tiempo está colocado un torno. Luego, cuando llegue el nuevo mecanismo entraremos por la puerta del Departamento de Circulación próxima a los ficheros y saldremos por el lugar donde está situado el antiguo torno.

Ruego a los compañeros que tengan la amabilidad de disimular cualquier inconveniente que la aplicación de este procedimiento les ocasione. Por su parte, el personal de la Biblioteca hará todo lo posible para facilitar la puesta en práctica del mismo, pues nuestro mayor deseo es servir eficazmente a los usuarios de la Biblioteca y muy especialmente al claustro universitario.
